Jesus won't stay put!

Jesus leaves heaven to come to earth. He willingly sets aside His equality with God to come to earth - born not in a palace, but in a stable, laid in a feed trough. But Jesus won't stay put.

No longer a baby wrapped in swaddling cloths, He is raised by Mary and Joseph and at the age of twelve travels to Jerusalem as was His family's Passover tradition. Two days into their return journey home, Jesus can't be found. He won't stay put. A frantic search ends at the temple, His Father's house, listening and asking questions of the teachers. He returns home with His parents where He "kept increasing in wisdom and stature and in favor with God and man."

Jesus won't stay put. Baptized, filled with Holy Spirit and then led into the wilderness to be tempted, Jesus returns ready to call others to no longer stay put, but to follow Him. Jesus remains obedient to His heavenly Father, preaching that the kingdom of heaven is at hand, and manifesting the kingdom through the forgiveness of sins, healing the sick, cleansing lepers, raising the dead, and casting out devils - or as Peter later said of Jesus:

You know of Jesus of Nazareth, how God anointed Him with the Holy Spirit and with power, and how He went about doing good and healing all who were oppressed by the devil, for God was with Him. Acts 10:28

Yet, Jesus would not remain on earth forever - He won't stay put. As He continued - obedient to His Father's will, seeking and saving what is lost, serving rather than being served, giving His life as a ransom for us - He made His way to the cross where He would carry our sins, our sorrows, our infirmities, falsely accused, mocked, condemned, crucified, died, wrapped in burial clothes and laid in a rich man's tomb.

But... three days later... as the women return to the tomb to prepare His body, the stone is rolled away and the white-robed herald declares, "He has risen, He is not here."

Jesus won't stay put.

He ascends into heaven and then as promised, sends Holy Spirit - the same Spirit that filled Jesus through His life, the same Spirit that raised Him from the dead - to fill us so that we too can be His people: His family, His body, His Church who comes with the very presence and power of God to carry on the will and work of not staying put, but manifesting the kingdom and will of God on earth as in heaven.

May we be like Jesus, who won't stay put... sought, bought, and now sent by Him to love God and others into His kingdom!

Pastor Jon

Pastor Jon's Letter to the Congregation, March 17

Be anxious for nothing, but in everything by prayer and supplication with thanksgiving let your requests be made known to God. And the peace of God, which surpasses all comprehension, will guard your hearts and your minds in Christ Jesus. Philippians 4:6-7

Prayerful, not fearful.

In the midst of the virus situation, Sunday, March 15, went really well as we gathered for worship, prayer, sharing the word, communion and fellowship. We were small and mighty in attendance as we made adjustments:

- sharing the peace in alternative ways which avoid hugging and hand-shaking
- people choosing to stay home to keep distance for health reasons
- deep cleaning of sanctuary and fellowship hall
- offering plate up front at the font to keep from passing and handling
- communion assistance washing hands (as always) prior to distribution

While we truly missed seeing everyone, we certainly understood if you needed to keep your distance at this time. Please contact the office to let us know if you need anything or how we can be praying for you during this time. Though we may need to 'keep our distance' for now, we do not want anyone to be isolated from the community.

We will continue to be prayerful, not fearful. Our ongoing adjustments are done in love and with the confident hope in God who continues to rule and reign. Our house is built on the rock, and as such, though storms come, the house will stand (Matthew 7:24-25).

As of Tuesday, March 17:

Previously, the CDC had discouraged gatherings of more than 50 for the next 8 weeks. Then by Monday afternoon President Trump encouraged that Americans should not gather in groups of more than 10 for the next 15 days (through March 31). Our PLC Board discussed via email that afternoon these new developments and decided the following:

All gatherings at PLC will be suspended through Friday, April 10. This includes:

- Sunday morning worship services
- Wednesday Soup Suppers
- Midweek Bible studies and Dorcas group
- Outside groups who use our facility (TOPS, Chorale*, 4-H, etc.)
- Maundy Thursday and Good Friday services
- *The Chorale has decided to suspend the rest of their season including their spring concert, which means they will not be rehearsing at PLC through the end of May (the May 19 concert for us is now in doubt)
- The NW District gathering, which PLC was scheduled to host on May 1-2 has also been canceled by the District. We hope to host next year. Thanks to our planning team for their work.

Staying connected

Keeping distance need not mean being isolated. We will be making arrangements to have weekly worship and messages available on the website at: peace-lutheran.com/audio-messages/. We will also be investigating other means of using technology to keep connected with one another during these coming weeks and keep you informed. Watch Sunday worship here <https://www.youtube.com/channel/UCKINKnU8Rdkx3WrJtTNEfRA/>

We encourage everyone to use this time to serve others and to pray more earnestly for one another and the world. Here are some suggestions:

- Following the health protocols, consider who may need groceries delivered to their homes so they can avoid going out.
- Make a list of those you know who are sick or those who work in the medical field in your area. Bring them by name before the Lord asking for His protection.
- Pray for your city and state officials, as well as world leaders, that they would be humble and have wisdom as they make hard decisions.
- Ask for God's supernatural intervention to slow the spread of the pandemic and sustain those working on the front lines of the crisis.
- Pray for those you know who will be in financial need because of business or school shutdowns. Ask God if there is some way that he desires for you to help.
- Ask God to increase your and others faith and peace in the midst of the unknown.
- Ask God to show you ways that you can demonstrate love to your neighbors.
- Spend some of your prayer time in stillness, silently opening your heart to know God in deeper ways and listening for what he may want to say to you.

Many of our members are in locations which are not allowing them to leave or to have visitors at this time. Therefore, consider how you might pray and connect with one another over the phone, FaceTime or Skype. Following health protocols, you may even consider gathering in small groups of less than 10 to keep in touch, pray, read scripture and encourage one another. While socially isolated it becomes meaningful to hear someone's voice rather than just written messages. **Think creatively about how you can create community with one another.**

A Call to a Time of Prayer and Fasting

Lutheran Congregations in Mission for Christ (LCMC) is inviting congregations to a time of prayer and fasting as we walk with Jesus through this season in our world, nation, and communities. It is truly a time for the followers of Christ to be light and hope to others. More details coming soon.

Your continued financial support of PLC is greatly appreciated at this time. You may send contributions by mail, drop off in our secure and locked mailbox outside during the week (only we have the key to access), or set up automatic draft through your local bank.

Update: Gov. Little announced a 21-day stay-at-home order for the State of Idaho On Mar 25. Please know we will be regularly updating you as they develop. There are many including myself, who remain available to visit with you in person, over the phone, via text or email. Please feel free to contact me personally (email, phone calls, etc.) if you have any questions, concerns, suggestions.

There are many of us who remain available to visit with you and pray with over the phone, via text or email. Please, please, contact the church office or give me a call.

Our genuine hope was to resume gathering on Resurrection Sunday, April 12th - what a glorious day that would be to celebrate the risen Christ and to come back together with one another!

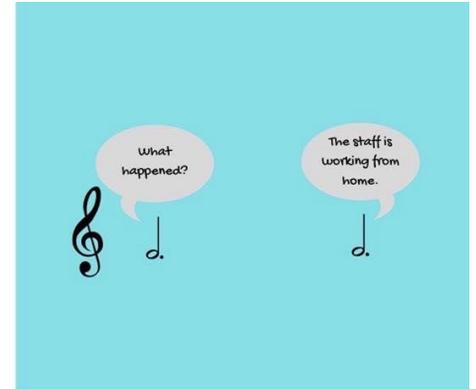

I love all of you deeply and look forward to how God will be glorified in and through each of us as we love and serve others, walking with Jesus, our shepherd, our hope, and our peace.

Pastor Jon

From zero to unfamiliar in just a few days...

As the Coronavirus presses us to continually adapt our lives to the situation, we are saddened to announce the cancellation or postponement of worship services in the building, bible studies, inside/outside group usage, Lent gatherings each Wed, and extra Holy Week services. Even though the church is closed to all activity, your staff continues the work we are called to do! Pastor Jon has asked one and all to please CALL us first, 208-765-0727, to limit individuals coming into the building. We are maintaining CDC protocols which require us to clean and sanitize if someone has been in the building. We are trying to keep YOU and ourselves healthy through this period.

Update: Your staff is now working remotely from home as much as we possibly can due to Gov. Little's declaration. We will be monitoring email and phone messages. Please don't hesitate to reach out to us with any need, prayer request, or concern! – Lynn Affeldt

Your Council and staff were originally scheduled to spend a retreat day at Lutherhaven exploring possibilities for this year and to review the book we've been reading, *The Unstuck Church*, by Tony Morgan. Good news – this day will still proceed, but we will be meeting virtually in our homes. on March 28, at 10 am. Our council felt it was paramount that we continue to move forward with their work!

Ecumenical Food Kitchen

The Peace EFK team served on Thursday, March 26, at First Presbyterian Church in Coeur d'Alene. Due to the Coronavirus, we served a pickup and go sack lunch with bottled water to forty plus people. Our Peace Family is one of nine churches that serve EFK on Thursdays throughout the year.

Our church family is always generous with financial and food donations. I thank you. The people we serve are always grateful for the meal.

Marge Freligh, Team Coordinator

P&M Annual Spring Cleanup Day – April 18

Greetings from the P&M Team! Just like warm spring weather, our annual workday is right around the corner on April 18. We planned this day a month ago before the current dilemma came upon us in order to have things ship shape for the NW District Gathering. The Gathering has been canceled but the work still needs to be done. For now, we will leave the date as planned. I'm sure by then we'll be ready for some human interaction. If needed, we can socially distance ourselves around the grounds.

We'll need to take down the snow fences, get gravel out of the lawn and landscaping, refresh the bark, uncover the AC units, possibly repair the ventilators on the roof. Reset some parking stops and whatever other fun activities raise their heads.

If you're interested, and they're open again for in-house dining, we can gather at Chomper's for breakfast at 7:30 am and be ready to get to work at 9 am. Our always helpful Fellowship Team has offered to provide lunch. So, clear your calendars, work outside in the fresh air, and be ready to spruce up the grounds!

MILES OF PENNIES for Summer Camp

Bring your change and fill up our Miles of Pennies jar to help send our youth to camp this summer.

Many of you have asked, "How am I going to get my offering to the church?" What faithful and conscientious givers! Peace Lutheran has always been blessed with generosity. During quarantine time you may snail mail to Peace Lutheran Church, 8134 N Meyer Rd, Post Falls, ID 83854, use your bank's bill pay or auto pay feature, or best of all – Toot & Scoot by dropping an offering envelope in our secure and locked mailbox in our drive thru. No need to even get out of your car. Be sure to toot and wave – we love you!!

Family Promise TY

What is Ministry? One definition according to Google Webster is: "The spiritual work of any Christian or service of any Christian or a group of Christians." God continues to bless Peace through several community outreach ministries. I would like to share specifically about Family Promise.

Family Promise ministry focuses on service to families experiencing temporary challenges of homelessness while providing a safe and secure refuge where they can focus on securing the basic needs for their family. This past month PLC had the privilege of serving two families of four each. Although one of the families had specific dietary needs not accustom to our volunteers, it provided the opportunity to serve and realize God's children have unique abilities, needs and gifts.

Both guest families expressed a sincere gratitude for the care, hospitality and concern they experienced during their week at PLC and felt it was truly a blessing from God. As they continue their journey towards independence, it is a comfort to them knowing God cares, and provides for their needs. What a blessing it is for PLC to be a part of HIS plan for these special families.

Family Promise offers many ways our volunteers can support and participate. First and most importantly we need your prayers for continued guidance for our ministry. We have another hosting week coming April 19-26, and will need help with set up, providing meals, hosting families, clean up and financial support.

If you are interested in joining PLC's Family Promise Team or learning more, we are having a meeting, Sunday, Mar 1 following fellowship time. Please join us!

Finally, none of this would be possible without YOU. We thank Peace and all the volunteers for their continued prayers, volunteering and financial support! In John 15:16-17, Jesus said, "You did not choose me, but I choose you and appointed you to go and bear fruit—fruit that will last. Then the Father will give you whatever you ask in my name. This is my command: Love each other."

Now that painting our entire facility is in the rear-view mirror, many thanks go to all those who prepped weeks in advance, to the Sat crew that shifted heavy sanctuary furniture, and to all who put everything back together! Some of you have asked about contractor information and we are glad to provide it. Paint Pros USA were here for a week and we couldn't have asked for a better crew. Mark Populus, owner/COO, along with painters Michael, Trish and Duncan, renewed our facility with care and respect. Paint Pros do residential work inside or outside, cabinets, furniture, stain, and any prep work needed. Call Mark at 208-640-6541 for your painting needs!

Mr. Mom's Carpet Cleaning service did an excellent job in our sanctuary and fellowship hall Mar 23, taking extra care steaming and applying a Teflon coating. Owner, Michael Pritchett, always offers churches a 50% discount for which we are grateful. Call him for your after isolation/quarantine cleaning at 208-777-7700.

NW District Gathering Team: Ken Birge, Jon Davis, Lee Ely, Marge Freligh, Rebecca Kirkpatrick, Jolene Pooley, and JoAnn Solberg. The team met after the virus outbreak and made the prudent decision, along with the NW District, to cancel the Gathering this year which we were hosting as a church. Perhaps next year! The District will be returning the registration fees sent for our delegates, and we plan to honor our budgeted offering to the NW District for their continued operating expenses in 2020.

Liberty Quartet Returning to Peace!

Something to look forward to – those great guys from Liberty Quartet will be returning to Peace on **Sunday, Aug 9**, for a morning filled with uplifting worship and music. All that is required from us is to provide two hotel rooms and the opportunity for a love offering for the group. We have gratefully supported that when they've been with us in the past. While here, the group will have items setup in the fellowship hall for purchase. If you've never heard their incredible voices and hopeful message, you won't want to miss it!

News & Events

Mar Gifts: *To all those praying for and keeping in touch with others during this time of distancing. Grateful thanks to Pastor Jon for switching gears so quickly and launching us into virtual connection with one another for Sun worship, reaching our youth, adult study, Lenten soup supper, and inspirational posts on our YouTube channel. Thanks to Rick Straub for putting new furniture pieces together!*

Chorale CDA after heartbreaking disappointment, suspended all rehearsals, spring concert, and canceled the rest of their season. We are uncertain at this time about the scheduled Hallelujah! concert here at Peace on May 19. *Stay tuned!*

Due to their own corporate mandate, the TOPS group discontinued meeting here each Thu in March. We are waiting to hear for the all-clear so they may begin again to focus on healthy weight loss and the uplifting support they offer.

Because some of you have inquired: We can only use one household email at a time on our web-based email program which is why we've been encouraging everyone to PLEASE forward on to another in your household. Many couples have two email addresses so please share with your spouse or other family members. *Thanks for helping us get the word out!*

Our carpeted areas are now fresh and clean! *As always*, no open containers in the sanctuary please, let's get spills in the fellowship hall cleaned up when they happen, and vacuum up food after gathering. Keeping it fresh!!

You are all doing a great job of staying in touch with one another and using the new Toot & Scoot for dropping off your offering. For your convenience, you may also use the drive thru and drop your envelope in our locked mailbox at any time, not just when we are here. The office has the only key. Amy Birge, our Financial Secretary, is coming in during the week to take care of the offering and making a deposit. Thank you for your faithful giving!

Once we are together again, our kitchen pantry could use **tissues & quart size ziplock bags**. The church office provides a tax-deductible receipt for your much appreciated GIK. Thanks for all your wonderful donations throughout the year!

Quarterly devotionals may always be found on the table in the fellowship hall.

Due to the Coronavirus situation, with PLC closing down in March, and food banks on limited hours, there were no donations taken to CAP Food Bank to report. We hope to continue this ministry when able.

Copies of the April newsletter will be in the holder on the table in the fellowship hall and were mailed to those without email. PLC Contact Directories are also available in the holder & update monthly – grab a new one!

Matthew 5:14-16

Let your light shine before men in such a way that they may see your good works, and glorify your Father who is in heaven.
